Pre-authorized Debit

Have you considered setting up pre-authorized debit for your weekly contributions to your church? For more info regarding this please speak with our Corps Treasurer Matthew Rideout. Also, you may pick up a form on the welcome table.

Did you know?

“Come into His presence with thanksgiving in your heart and give Him praise...” Pathway Community Church has two new contributors in 2020! Have you considered giving a financial contribution to your church’s on-going ministry? Thank you for your spirit of generosity!

A Chuckle

The story is told about a pastor that got up in the pulpit and apologized for the Band-Aid on his face. He said “I was thinking about my sermon while shaving and cut my face.” Afterward the treasurer found a note in the collection plate, “Next time, think about your face and cut the sermon.” 😊

Debit/Credit Available

For the benefit of our members that are not currently using pre-authorized debit, and find it bothersome to have to worry about carrying cash, we have provided a debit machine.

God bless you as you partner with us financially in growing His Kingdom!

March 1, 2020

From your pastor's desk...

Welcome to Pathway Community Church! We're glad you have chosen to worship with us today. It's a special day in the life of our church - a baby dedication will be taking place. Children are one of God's greatest gifts and it brings joy to our community of faith as we share in these moments of celebration. Pastor Fred's message is entitled "A Zip-A-Dee-Doo-Dah-Day!" The Apostle Paul writes in Philippians 4:4, "Rejoice in the Lord always!" We pray that you will be encouraged to celebrate as you reflect on God's gifts given to you. We thank God for each of you and the joy evidenced in your lives. It's contagious!

*Blessings,
Pastors Fred & Louise*
